BACKGROUND

The Wyatt F. and Mattie M. Jeltz Scholarship Foundation was established by an endowment and is incorporated by the State of Oklahoma. Mr. & Mrs. Jeltz were black Oklahomans who devoted their lives to education, employment opportunities and community service until their deaths in 1975 and 1977, respectively. They were vitally interested in assisting young people, particularly Black-Americans displaying strong academic ability, to acquire an education and a better life. While awards may go to non-traditional students, the emphasis is on traditional students.

The Foundation provides scholarships to assist students in paying college related expenses such as tuition, fees, room and board, books and supplies, loan repayment, etc. To be eligible, a student must be enrolled full-time (12 hrs) in a state-supported Oklahoma accredited college and have earned a minimum of thirty (30) credit hours, with an accumulative grade point average of, at least, 2.8. Financial need and good character are also criteria. A student must have applied for financial aid.

Scholarships are awarded annually in February and October; application deadlines are December 20th and August 15th. Applicants are notified in January and September as to their selection status. An official at the recipient's college will be notified.
